

Quick Pay & Advances

There are multiple options available for Quick Pay, as the most utilized option is for checks to be issued on Friday. To utilize this option Contract Carrier must submit its original bill of lading's and invoices to the accounting office by 4pm on Wednesday and the check will be issued on Friday, at a rate of 3% of the invoice amount. Note that any bill of lading's received after 4pm on Wednesday will be processed in the following week quick pay disbursements. The second option is for immediate quick pay Monday through Friday, which allows the Contract Carrier to collect check on the same business day as they submit original bill of lading's and invoices at a rate of 5% of the invoice amount.

Advances are available up to 40% of the invoice amount for a charge of 3% of the advance with a minimum of \$10.00 charge on each advance. For any advances of 50% or more of the invoice amount a 5% advance fee will be applied. All advances are issued from 8am to 5pm pacific standard time. Note to all quick pay carrier, any advance fees will be applied against the quick pay charge.

For invoices that are going to be sent via overnight couriers, can be sent to:
